

Copy & Restoration Services

Some photos may be in remarkably good shape and only need to be copied. Others may need some help. Each photo is different, so we need to see them first to quote you a fair price.

Using our digital technology we are able to restore damage such as cracks and tears, add contrast to bring back detail and add density to bring back faded images.

Prices typically range from \$10 for minor repairs to \$50 for very major repairs.

Color, B&W or Sepia Prints

Quantity (per print)

<u>Size</u>	<u>One</u>	<u>Two</u>	<u>Three or more</u>
